A **complete menu** of Aura Grill from Irvine covering all **22** meals and drinks can be found here on the food list. Nestled in the hotel lobby, Aura offers the only dining option for guests, yet the experience varies greatly. While some patrons praise the attentive staff and enjoyable meals, including well-crafted sandwiches and burgers, others express disappointment with limited menu choices, inconsistent food quality, and high prices. Breakfast items often lack proper temperature regulation, and service can be slow, particularly with a single staff member managing the bar and orders. Despite its potential, the restaurant struggles to maintain a consistently appealing dining experience, leaving many guests with lingering frustration and mixed feelings about their visits.
