The place from [Carmel-by-the-Sea](#) offers **104** different **courses and drinks on the menu at an average price of \$10.3. Tommy's Wok has garnered a reputation for its diverse menu, offering everything from traditional chow mein to [vegetarian](#) potstickers. While some diners praise the freshness and flavor of dishes like the House Chow Mein and Rainbow [Seafood](#) Chowder, others lament a decline in quality and authenticity. Complaints about overcooked rice, unexpected vegetable substitutions, and overly salty entrees have surfaced, leaving a mix of satisfaction and disappointment among patrons. Despite these inconsistencies, the restaurant remains a go-to for many, especially for those seeking quick, nutritious meals prepared with fresh ingredients in a cozy atmosphere.**
