A complete [menu](#) of Rossopomodoro from City of London, Westminster covering all 17 meals and drinks can be found here on the card. Nestled within a bustling London department store, Rossopomodoro offers a mixed dining experience. While some patrons enjoy the warm ambiance and attentive service, particularly praising the pizza and gluten-free options, others report disappointing meals and inattentive staff. Common grievances include slow service, incorrect orders, and lackluster pizza toppings. However, highlights like friendly staff interactions and delicious, freshly made dishes resonate with many. The restaurant's decor and prompt service, especially for those in a hurry, contribute positively to its charm. Overall, Rossopomodoro appears to cater well to larger groups but struggles with consistency and attention towards solo diners.
