A complete [menu](#) of Gravity Tavern from [Mill Valley](#) covering all 18 courses and drinks can be found here on the menu. Gravity Tavern presents a vibrant atmosphere with both indoor and outdoor seating, complemented by a menu featuring delightful cocktails and seasonal dishes. Diners have praised standout items like the brussels sprouts and pastrami sandwiches, although portions have raised eyebrows, especially considering the price point. While service can be attentive, inconsistencies in food quality—such as overcooked chicken and lukewarm dishes—have led to mixed reviews. Despite these drawbacks, the restaurant's lively spirit and potential for a memorable dining experience keep patrons hopeful for a better visit next time. Reservations are recommended for a seamless experience.
