Los Portales in Jackson offers a mixed experience with some positive and negative aspects. The location near Santaville exchange suffered from lackluster service and incorrect orders, while another visit on a weeknight showcased excellent service but disappointing food quality. Despite some inconsistencies, the restaurants are commended for their warm chips and fresh salsa, friendly staff, and prompt service. Customers appreciate the vast menu selection, delicious food without overwhelming spiciness, and the welcoming atmosphere created by the manager. However, concerns about pricing, COVID-19 precautions, and food quality remain, indicating a need for improvement in certain areas.
