The restaurant from Newburgh offers **18 different meals and drinks on the card** at an average \$3.4. At this local [fast food](#) establishment, customer experiences vary widely. While some diners appreciate the good service and friendly staff, others lament the underwhelming food quality, citing cold meals and thin pancakes as major disappointments. Despite attempts at a lively atmosphere, service inconsistencies—such as long wait times and lackluster responses—dampen the overall dining experience. However, the dedicated Friday crew seems to shine, turning ordinary transactions into memorable encounters. Overall, while the menu offers familiar favorites at reasonable prices, a mix of culinary highs and lows leaves some patrons questioning whether a return visit is warranted.
