A **complete menu** of El Zarape from Denver covering all 18 dishes and drinks can be found here on the food list. Nestled away in Denver, this restaurant has garnered a reputation for both exceptional breakfast burritos and some disappointing recent experiences. Many patrons commend the staff's friendliness and commitment to authentic Mexican cuisine, with standout dishes like the steak burrito and meatball soup. However, recent changes in pricing and food quality have left some long-time customers disheartened. Despite these setbacks, the dedication of the staff—evidenced by acts of kindness such as personally delivering forgotten orders—remains a highlight. Whether you're in search of delicious breakfast options or exploring authentic flavors, this establishment offers a unique, albeit inconsistent, dining experience.
