The menu of Sushi Kingdom from [Evesham](#) includes **23** courses. On average the **courses or drinks on the menu** cost approximately \$8.8. You can view the categories on the menu below. Sushi Kingdom has garnered mixed reviews, highlighting both its food and service. Many diners praise the freshness and variety of the all-you-can-eat sushi, emphasizing dishes like the Godzilla and sweet potato rolls. While the quality often impresses, particularly during peak hours, customer service frequently falls short. Guests report slow responses, disorganization, and occasionally even disputes over orders. The atmosphere can feel cramped and noisy, making conversation difficult. Despite these issues, loyal patrons often return, valuing the delicious offerings and the chance to bring their own alcohol. For sushi lovers, it remains a tempting choice, albeit with caveats.
