The menu of Wendy's from Hammond comprises about **119** different menus and drinks. On average you pay about \$5.4 for a dish / drink. Despite some highlights, a recent visit to a local fast food establishment revealed significant shortcomings. Customers reported receiving dry, inedible chili and subpar fruit cups accompanied by unhelpful staff who exhibited unfriendly attitudes. Long wait times and outdated operational practices hindered the experience further, with issues like dysfunctional outdoor lighting contributing to safety concerns. On a more positive note, one patron enjoyed delightful strawberry lemonade and exceptional fries, indicating that there may be glimpses of potential amid the chaos. Overall, this restaurant's struggles outweigh its strengths, leaving patrons longing for improvement.
