A complete [menu](#) of Sonic Drive-in from Taos covering all 16 courses and drinks can be found here on the card. Sonic Drive-In presents a varied dining experience that tends to sway between excellent and disappointing.

While many patrons rave about the delicious American burger—especially with green chiles—others report frustrating order mistakes and long wait times, particularly in the drive-thru. The inconsistency extends to service as well, where some staff provide efficient and friendly encounters, while others fall short, sometimes displaying less-than-cordial attitudes. Although the food quality can be hit or miss, with occasional service hiccups, devoted fans appreciate the overall value, especially for fresh items and specific combos. Expect a mixed dining experience at this fast-food favorite.
