The restaurant from Mesa offers **19 different dishes and drinks on [the menu](#)** at an average price of \$3.7. A recent visit to a McDonald's location near a children's hospital left one reviewer frustrated with cold food and slow service, prompting a call for retraining in customer service and cooking hold times. Another customer highlighted the higher prices compared to other McDonald's locations they frequent. However, they found the coffee to be good value. The atmosphere and service were average, with some concerns raised about the pricing of menu items. Another patron was happy with the fresh fries and ice cream at the same location and praised the quick curbside pick-up service. On the other hand, one customer lauded the efficiency and freshness of the burgers and fries at this particular McDonald's. Another reviewer had a positive experience with a perfect order, praising the fluffy eggs and warm cinnamon roll for a memorable birthday Big Breakfast.
