The **menu of Noodle World Jr** from Downey includes 19 dishes. On average, **dishes or drinks on [the menu](#)** cost about \$9.4. The categories can be viewed on the menu below. This restaurant offers a small selection of food that could use a bit more flavor, but can still hold you over until your next stop in DTLA. The crispy chow mein is a standout item on the menu. While some patrons have noted that the food lacks flavor and the restaurant is short-staffed with a stuffy atmosphere, others praise the delicious food and rapid service, particularly recommending dishes like the shrimp fried rice and Shrimp Tom Yum Ramen. Prices are a bit high for some, but the exceptional service provided by the manager at the front cashier makes up for any shortcomings, such as a mistake with a customer's order. Despite some hiccups, the friendly staff and tasty offerings make this restaurant worth a return visit.
