Fuel City has been a long-standing favorite spot for many, known for its famous tacos and convenience store offerings. However, recent reviews indicate a decline in cleanliness and customer service, with some mentioning a lack of maintenance in the car wash area. Despite these drawbacks, many still flock to Fuel City for its delicious tacos, particularly the spicy AI pastor. While the establishment is cash only and lacks some modern conveniences, such as card acceptance and indoor seating, its popularity remains strong. Fuel City's tacos continue to impress with their bold flavors, making it a go-to spot for many late-night cravings.
