On this webpage, you can find the **complete menu** of Chili's Grill from Mesa. Currently, there are **19** dishes and drinks up for grabs. Recent reviews of a local restaurant exemplify mixed experiences. Customers have raved about the affordable, excellent food and service in a family-friendly atmosphere. The menu changes, but pricing remains great. The customer service, drinks, and food quality are commendable in most situations. In contrast, one customer suffered from rude service and, after handling complaints poorly, became ill. A different encounter involved a server who was efficient and accommodating to a large group. While some recommend its 3 for me \$10.99 deal, others warn of dissatisfaction with food temperature and manager conduct.
