**The Card** of Twisters Burgers And Burritos from Bernalillo contains about 19 different menus and drinks. On average, you pay for a dish / drink about \$7.1. The recent reviews of this local Twisters restaurant reveal a concerning trend in declining food quality and portion sizes. Patrons note that breakfast burritos are smaller and less fresh than expected, while burger and taco offerings lack substance and flavor. Despite some positive experiences with quick service and friendly staff, many feel that the overall dining experience has diminished significantly. Unique menu items, once praised for their generous portions, now fall flat. While a few customers are hopeful for improvements, the consensus indicates a need for management to reassess their commitment to quality standards and customer satisfaction.
