The restaurant from Fayetteville offers **19** different **dishes and drinks** on [the card](#) at an average price of \$6.6. Located at Freedom Town Center, Five Guys Fayetteville offers freshly made burgers that are cooked to order, often leading to lengthy waits. Customers report inconsistent service, with issues like forgotten milkshakes and inadequate portion sizes. Prices have also risen sharply, causing patrons to question the value, especially given comparable options elsewhere. While some enjoy the hot, customizable burgers and generous fry portions, cleanliness and service often fall short, with dirty tables and slow responses from staff. Overall, while the quality of food remains commendable, many diners feel the experience doesn't justify the cost.
