A complete [menu](#) of Black Diamond Oyster from Corpus Christi covering all 19 menus and drinks can be found here on the card. Nestled in Padre Island, this restaurant offers a mixed bag of experiences. While certain dishes, like the baked oysters and blackened fish sandwich, have garnered praise for their freshness and flavor, others, such as the seafood gumbo and fried fish, have disappointed diners. Reviews highlight inconsistent service, with some staff being described as charming and accommodating, while others are noted for rudeness and slowness. The cozy atmosphere and limited seating can lead to busy nights, especially with live music. Overall, while some patrons leave satisfied, others suggest seeking alternatives on the island.
