Applebee's in Shakopee offers a mixed dining experience that leaves patrons divided. While many appreciate the inviting atmosphere, decent prices, and popular dishes like Chicken Wonton Tacos and Whisky Bacon Burgers, service consistency raises concerns. Customers frequently report issues such as long wait times, overcooked meals, and inattentive staff. Complaints about temperature and quality of food, along with poor management responses to dissatisfaction, have led some to reconsider their visits. However, not all experiences are negative; several guests commend attentive waitstaff and enjoyable meals, making it a spot worth trying for family dining amid the varying reviews.
