The restaurant from Naples offers **19** different **dishes and drinks on [the card](#)** at an average price of \$6.7. Kruk's Philly Cheesesteaks in Naples offers a mixed dining experience for patrons seeking a taste of Philadelphia. While many appreciate the friendly service and some quality menu items like cheeseburgers, the cheesesteaks often miss the mark. Common complaints include overpriced sandwiches, stale rolls, and a greasy texture that detracts from authenticity. Despite this, there are positive notes about portion sizes and the cleanliness of the establishment. Some customers express hope that with minor improvements and better attention to detail, Kruk's could truly become the go-to destination for genuine Philly fare in Florida.
