A complete [menu](#) of Dragon Sushi from Palm Desert covering all 19 menus and drinks can be found here on the food list. At this popular sushi restaurant, reviews reveal a mixed bag of experiences. While many diners rave about the fresh and tasty sushi, with favorites like the "dangerous girl" roll and crispy tempura, the service leaves much to be desired. Guests frequently report long waits for service and inattentive staff, leading to frustration.

Some patrons enjoyed flavorful appetizers and a charming atmosphere, particularly on date nights. However, several visitors noted issues with bland dishes, like flavorless ramen, and inconsistent service. Overall, despite the culinary highlights, prospective diners should be prepared for possible service shortcomings.
