The Menu of Buffalo Wild Wings from Albuquerque contains about **19** different dishes and drinks. On average, you pay for a dish / drink about \$8.9. Buffalo Wild Wings offers a dining experience that seems to fluctuate widely between visits. While some guests rave about the exceptional service and delicious wings, others recount nightmarish delays and subpar food quality. Complaints include long wait times, rude servers, and unsatisfactory meals, overshadowing the occasional positive experience. The inconsistency extends to cleanliness, with reports of unsanitary conditions. However, some patrons insist on returning for the delightful atmosphere and well-executed dishes, particularly praising the attentive staff and fresh food. Ultimately, whether you'll leave satisfied or frustrated depends largely on which shift you catch.
