On this webpage, you can find the **complete menu** of McDonald's from Helena. Currently, there are **19** courses and drinks available. At this McDonald's location, diners experience a mix of convenience and frustration. While the drive-thru service is generally efficient and the staff personable, inconsistencies plague food quality, particularly with soggy fries and incorrect orders. Many lament the rising prices, which detract from the classic fast-food experience. Despite these drawbacks, the restaurant maintains a clean, inviting atmosphere, with fresh food that occasionally hits the spot, especially for those on the go. The electronic ordering system offers a modern twist, although some feel it detracts from personal service. Overall, this McDonald's is a reliable, if imperfect, option for fast food enthusiasts.
