Here you can find the [menu](#) of Carl's Jr. in [Clearfield](#). At the moment, there are **19** courses and drinks on the menu. Carl's Jr. promises a classic burger experience with a friendly atmosphere, thanks to its welcoming staff. However, recent menu changes, such as the removal of sweet potatoes and teriyaki burgers, have disappointed loyal patrons. While many enjoy the food, slow service has been a recurring concern, with lengthy waits in both drive-thru and dine-in scenarios. On a brighter note, the ambiance remains pleasant and clean, with standout employees like CJ providing exceptional customer service that leaves a lasting impression. Overall, Carl's Jr. is a familiar stop for burger lovers, but improvements in efficiency would enhance the experience.
