A comprehensive [menu](#) of Danny's Carryout from Oxon Hill covering all 17 dishes and drinks can be found here on the food list. The restaurant, known for its large portions and quick service, received mixed reviews from customers. While some praised the fresh and hot food delivered promptly, others complained about poor implementation of technology leading to delays in fulfilling orders. Some customers were disappointed with the quality of the food, particularly the fried rice, which left them feeling sick. Despite these issues, loyal patrons continue to visit the classic joint for a taste of nostalgia, even though the iconic mumbo sauce has changed over the years. Overall, it seems that while the restaurant has its flaws, it still holds a special place in the hearts of its regular customers.
