Here you can find the [menu of Ram](#) in Exeter. At the moment, there are **15** meals and drinks on the card. Nestled in the heart of the campus, The Ram stands out as a vibrant spot where students gather for affordable drinks and hearty meals. While the atmosphere is lively and welcoming, marked by friendly staff and engaging events, the food experiences are mixed. Highlights include the renowned curly fries and satisfying burgers; however, some dishes, like the jackfruit mac and cheese, have left guests disappointed due to misleading vegan options. Despite minor service hiccups, The Ram remains a popular choice for those seeking comfort food in a cozy environment after lectures or during concerts.
