On this site, you can find the **complete [menu](#) of The Pantry** from New Haven. Currently, there are **18** meals and drinks available. This restaurant offers a mixed experience, with some negative instances but also positive highlights. One customer had an issue with payment, feeling pressured to hand over more money than they originally gave. Food quality was also a common complaint, with burnt home fries and subpar bacon among the critiques. However, another visitor enjoyed a fast seating experience despite a busy restaurant, and found the food to be fresh and satisfying. The cash-only policy may deter some, but the staff are generally pleasant and efficient. The restaurant seems to have loyal patrons who appreciate the classic breakfast options and delicious pancakes. Overall, while there may be some drawbacks, this spot offers a solid breakfast experience for those looking for a no-frills meal.
