On this homepage, you can find the **complete [menu](#)** of Mr Pickle's Sandwich Shop from Paso Robles. Currently, there are **15** menus and drinks available. Mr. Pickle offers fast service with preset-toppings for quick preparation. The Golden Gate and Meatball sandwiches were tasty, but the meatball overpowered the GG. Cookies were a nice touch, and the mystery of Mr. Pickle adds intrigue. However, other patrons shared mixed experiences. Some encountered stale bread with missing ingredients, while others praised the enthusiastic staff and delicious sandwiches. Overall, Mr. Pickle seems to offer a varied dining experience, with some room for improvement in consistency and quality.
