On this webpage, you can find the **complete menu** of **Hot Club** from Providence. Currently, there are **20** dishes and drinks up for grabs. The Hot Club is a popular waterfront bar that offers indoor and outdoor seating with beautiful views across the marina and towards the towers. While some patrons found the food options limited, the black bean burger and fish tacos received mixed reviews. The atmosphere is lively and the staff friendly, with unique touches like flashlight signals to a nearby children's clinic at night. The bar offers a decent selection of local beers and well-made cocktails. Overall, it seems to be a great spot for drinks and socializing, particularly during nice weather for waterfront views.
