A complete [menu](#) of Buffalo Wings and Rings from Columbus covering all 20 meals and drinks can be found here on the food list. Buffalo Wings and Rings has quickly become a favorite spot for wing lovers in Columbus, surpassing even popular chain restaurants like Buffalo Wild Wings. Customers rave about the crispy, saucy wings that come in a variety of flavors, particularly the sweet chili and Buffalo (hot). The boneless wings are a big hit, with generous portions of real chicken. The service at this restaurant is top-notch, with servers like Brandon and Rachel standing out for their excellent care of customers. The craft beer selection is impressive, and the patio dining area adds to the overall appeal of the restaurant. While there may have been a minor issue with unfriendly front-end staff in one instance, the overall experience at Buffalo Wings and Rings is highly recommended by patrons who appreciate the delicious food and welcoming atmosphere.
