A **comprehensive menu** of Del Taco from Provo covering all **20** meals and drinks can be found here on the food list. Del Taco has been receiving mixed reviews lately, with some customers expressing dissatisfaction over the rising prices without larger portions. Some feel that the cost is becoming too high to justify dining there any longer. In terms of service, there have been complaints about long wait times, understaffing, and unclean store interiors. Despite these issues, others appreciate the affordability and variety of food options available, especially on Taco Tuesday. The restaurant seems to have a loyal following for its cheap tacos but opinions vary on the overall quality of the menu items. Overall, Del Taco appears to be a decent option for those seeking affordable, homemade-style **Mexican** food, but opinions are divided on the overall dining experience.
