A **comprehensive menu** of Off The Traxx from Melbourne covering all **20** meals and drinks can be found here on the food list. The restaurant, known as a sports bar, faced disappointment from a customer who used to enjoy watching baseball games while having pizza and beer, but found that MLB games were not shown. Another patron criticized the lack of flavor in their pizza and suggested improvements to elevate the overall service experience. One reviewer felt that the atmosphere had declined, describing it as depressing and likening it to a setting from a bad movie. Despite these negative reviews, others praised the restaurant for its friendly staff, delicious food such as Ahi tuna bowl and wings, and the vibrant atmosphere with a DJ playing music on weekends. The establishment was also noted for its spacious layout, pool tables, and various entertainment options. Though there were some mixed opinions on certain dishes like nachos supreme or marinara sauce, patrons generally had positive experiences and indicated a willingness to return in the future.
