Here you can find the [menu](#) of M & M GRILL in Houston. At the moment, there are **20** meals and drinks on the food list. Located down the street from an AirBNB, this small hole in the wall restaurant has a variety of tasty dishes to offer. While some customers recommend trying the messy but flavorful burger or the generously portioned chicken fajitas, others suggest going for the highly praised chimichanga. Even though the restaurant faced some issues with food delivery services and limited choices on the kids' menu, the overall consensus is that the food is delicious and worth the visit. Customers rave about the mango habanero burger, Buffalo chicken burger, and shwarma plate with beef. The friendly staff and great prices also add to the positive dining experience. Despite the lack of parking and small seating area, diners are highly satisfied with the flavorful burgers, juicy meats, and crispy fries. With a loyal following since 2018, this hole in the wall establishment continues to impress customers with its excellent food quality and service.
