On this site, you can find the **complete [menu](#)** of **Pappasito's Cantina** from Houston. Currently, there are **15** dishes and drinks up for grabs. Pappasitos offers a varied dining experience, particularly at its airport location, where value for money appears to be a point of contention. While some patrons rave about outstanding enchiladas and the deliciousness of a standout burrito, others feel the prices are exorbitant, especially for beverages and smaller portions. Service efficiency garners praise, but inconsistency in food quality and a lack of basic dining utensils in takeout orders have raised eyebrows. Despite strong customer service, the overall consensus indicates that greater attention to price and portion control could enhance the experience significantly.
