Here you can find the [menu](#) of **Pdq** in Winston-Salem. At the moment, there are **17** dishes and drinks on the food list. PDQ has become a mixed bag of experiences, revealing both commendable qualities and notable shortcomings. Patrons appreciate the moist, well-prepared chicken and the crisp fries, with some likening the spicy sandwich to that of Popeyes. However, cleanliness concerns and inconsistent customer service have dampened the enthusiasm of many. While some visitors enjoy friendly staff and a welcoming atmosphere, others report disheartening interactions and overlooked orders. Positive community engagement, such as allowing children to make milkshakes, adds charm, but operational management and hygiene remain crucial areas for improvement. Overall, PDQ's potential shines through, yet it struggles to deliver consistently.
