On this site, you can find the **complete [menu](#) of Honey Badger** from Brooklyn. Currently, there are **19** dishes and drinks available. Come experience Honey Badger, an American WILD to TABLE restaurant with a daily changing secret menu. Our intimate eatery celebrates nature, sustainability, and self-discovery. Watch as our chef prepares each dish in front of you at the open kitchen, treating every table like a chef's counter. We source ingredients from a network of foragers across the North East, focusing on sustainable harvesting. With a passion for local, organic produce, we collaborate with five sustainable farms and our own biodynamic farm. Our in-house baking, pickling, smoking, braising, and fermenting techniques highlight the best of our region's offerings. Choose from our seasonal tasting menu or indulge in our Omakase menu, featuring exclusive foraged ingredients and wild game. Come taste the unique flavors of PAW PAW.
