**The Card** of Johnny Doughnuts from San Rafael includes about 17 different dishes and drinks. On average, you pay for a dish / drink about \$47.5. Johnny Doughnuts combines a vibrant atmosphere with a creative selection of gourmet donuts, earning rave reviews for their unique flavors, like the beloved sweet potato and French toast varieties. However, disappointment looms for fans seeking vegan options, as stocks often deplete by mid-morning, leaving locals frustrated. While the donuts are praised for their quality and size, many find the prices steep. Overall, this charming shop is a memorable destination for donut enthusiasts, but a more consistent supply of their popular vegan offerings and adjustments in selection could enhance the experience significantly.
