A complete [menu](#) of Slice Shabu Huntington Beach from Huntington Beach covering all 20 courses and drinks can be found here on the card. Slice Shabu offers a delightful shabu dining experience with a spacious outdoor patio and attentive service. Diners rave about the rich broths and high-quality, fresh ingredients, with a variety of proteins and vegetables to choose from. While the flavor profiles generally impress, some have noted a decline in consistency over time, particularly with certain dishes. Though the prices can be steep, exceeding \$40 for a bowl, the overall satisfaction leaves guests considering a return visit. However, improvements in service speed and a broader selection of sauces would enhance the dining experience further.
