A **comprehensive menu** of Ken's Kafe from Arcola covering all 18 meals and drinks can be found here on the card. Despite some negative experiences with undercooked food and unsatisfactory service, Ken's restaurant seems to have won over many customers with its excellent food and large portions. Some patrons mentioned the fantastic catfish, delicious breakfast options, and the worthiness of the drive to visit. While there were mixed reviews about the service, the general consensus is that the food at Ken's is a must-try, especially if you're in the Carl Junction/Joplin area or heading to Stockton Lake. Overall, Ken's appears to be a popular choice for those looking for a hearty meal and good value.
