On this website, you can find the **complete [menu](#) of Amar Indian Cuisine And Banquest** from Fairfield. Currently, there are **20** courses and drinks available. Amar Indian Cuisine offers a mixed dining experience that leaves guests divided. While some rave about the generous portions, authentic flavors, and attentive service, others express disappointment in the inconsistency of food quality and unsatisfactory service. Specific dishes have suffered from excessive saltiness or underwhelming preparation, particularly in appetizers and traditional Indian street food. However, patrons who have enjoyed items like butter chicken and freshly made naan appreciate the comforting flavors. The restaurant does provide a decent range of vegan options and an inviting atmosphere, making it a spot worth considering for varied tastes despite some reservations.
