Here you can find the [menu](#) of **Golden China** in United States. At the moment, there are **17** meals and drinks on the food list. This Chinese restaurant in The Woodlands offers a variety of dishes that have received mixed reviews. Some customers found the food to be above average, while others were disappointed with the taste.

The dining room is described as not being the most attractive, but still acceptable for a casual meal with colleagues. On the other hand, patrons have praised the restaurant for its great flavor and fresh, tasty food. Vegetarians have also noted that there are good tofu options available. Overall, opinions on this restaurant vary, but it seems to have a loyal following among those who enjoy their menu offerings.
