The restaurant from Boston offers **19** different **meals and drinks** on [the menu](#) at an average price of \$10.9. Zumas, a Tex-Mex restaurant located in the Quincy Market area of Faneuil Hall, offers a convenient location and friendly service for business lunches or casual dining. While the food is good and reliable, with tasty options like Baja Fish Tacos, it may not stand out as extraordinary. The margaritas are noted as being watered down, but the diverse selection and fair prices make it a worthwhile choice in the market. Despite some minor issues like dirty menus and lack of unique Mexican flavors, Zumas offers a cozy and fun atmosphere for celebrations or casual meals. Overall, the restaurant is praised for its delicious food, accommodating service, and quick dining experience, especially recommended for those with food allergies. Whether stopping by for a meal after an event or a regular visitor to the area, Zumas seems to charm guests with its Tex-Mex offerings and welcoming ambiance.
