The **menu of New India Bazaar** from Phoenix includes 20 menus. On average, **menus or drinks on the card** cost about \$9.2. The categories can be viewed on the menu below. This restaurant, nestled within a grocery store, offers a mixed dining experience that leaves some patrons impressed while others are disillusioned. Diners rave about the fresh and flavorful dishes, particularly the butter chicken and garlic naan, complimented by friendly service and generous portions. However, a recent shift in management has led to inconsistencies, with complaints about reduced food quantities and rising prices. While the buffet presents good value and a decent variety, some visits highlighted dryness and blandness in certain items. Overall, it's a place worth exploring for both quick bites and quality Indian groceries.
