The Menu of Pancheros Mexican Grill from Ann Arbor includes about **20** different menus and drinks. On average, you pay for a dish / drink about \$6.2. Panchero's offers a mixed dining experience that has garnered both praise and disappointment among its patrons. While many appreciate the affordability and solid burrito quality, consistency in food preparation and customer service is a common concern. Some diners have encountered issues with incorrect orders and inconsistent ingredient quantities, such as tacos served cold with excessive toppings. However, the staff's friendliness and accommodating nature shine through, with notable highlights for late-night dining and community vibes. Overall, Panchero's proves to be a decent option for a quick meal, particularly for those near the college scene, although it may not rival competitors like Chipotle.
