On this site, you will find the **complete menu** of **Ululani's Hawaiian Shave Ice** from Kihei. Currently, there are **21** meals and drinks available. Ululani's Shave Ice has sparked a heated debate among visitors. While many praise its sublime texture and diverse flavors, others find the long wait times and lack of boldness underwhelming. The ice is consistently described as incredibly smooth, reminiscent of Korean bingsu, yet some patrons feel it lacks the strong flavor punch expected from such hype. Friendly service and reasonable prices are notable positives, but the lines can stretch beyond an hour, leading some to question if the experience justifies the wait. Ultimately, Ululani's remains a quintessential stop in Maui, albeit a polarizing one.
