A **complete [menu](#) of Mike's** from Sainte-Marie featuring all **20** meals and drinks can be found here on the menu. Mike's Restaurant in Ste-Marie de Beauce offers a mixed dining experience, with service consistently noted for its friendliness and efficiency. Diners have praised the restaurant's pleasant atmosphere and variety in the menu, particularly enjoying well-prepared breakfasts and brunch options. However, some guests have voiced disappointment with certain dishes, citing issues like undercooked food and unappealing presentation. While value for money is evident in service quality, the kitchen's reliance on frozen ingredients has drawn criticism. Overall, it stands as a family-friendly spot worth visiting, especially for those appreciating the local scenery, but may require attention to food quality.
