A **complete menu** of Golden Crown from Stillwater covering all **21** dishes and drinks can be found here on the card. Golden Crown has garnered mixed reviews, reflecting a decline in quality that troubles many patrons. While some longtime customers praise its flavorful dishes and friendly atmosphere, others highlight issues like slow service, lukewarm meals, and disappointing appetizers. The sesame chicken and chow mein often miss the mark, while overcooked egg rolls raise concerns about consistency. However, the restaurant's commitment to fresh, made-to-order cuisine and the absence of MSG appeal to discerning diners. Despite the challenges, loyal fans continue to return, hoping for a revival of the quality that once defined Golden Crown.
