Here you will find the [menu](#) of **L'Express Du Sud** in Charny. At the moment, there are **23** meals and drinks on the list. This restaurant has received mixed reviews over the years, with some customers noting slow service and unfriendly staff. Despite a beautiful interior, the prices are high for the quality of food being served. On the other hand, some have enjoyed the diverse menu and excellent service, especially recommending it for breakfast due to their ability to accommodate dietary restrictions. The ambiance is lively and the table d'hôte is decent, but the à la carte options are more appealing. Overall, while some have had pleasant experiences and tasty meals, others have found the service lacking and the food not exceptional.
