Here you can find the [menu of Bojangles](#) in Welcome. At the moment, there are **22** courses and drinks on the card. This restaurant garners a range of experiences from patrons. While the morning crew shines with fast, friendly service and hot, fresh food, the night shift falls short, often delivering cold meals and erratic service. Diners appreciate clean facilities, accessible parking, and a robust kids' menu. However, inconsistent quality persists, especially during busy hours, leading to long waits and inaccurate orders. Many recommend visiting during breakfast hours for the best experience, yet some enjoy a standout lunch or dinner, particularly praising the seasoned fries and sweet tea. Overall, guests urge for improvements, especially in evening service.
