Currently, there are **22** dishes and drinks available. ****Restaurant Review: A Mixed Bag of Experiences**** Patrons of this local Burger King find themselves torn between nostalgic memories of stellar service and recent disappointments. Many expressed frustration over slow and indifferent service, with some detailing rude interactions and forgotten orders.

Complaints about the food's quality and overall cleanliness were common, leading to dissatisfaction among regular customers. However, there remained positive remarks about delicious meals, especially the French fries and Whoppers, with commendations for attentive staff members like Nick. While some laud its value and pleasant atmosphere, others urge potential diners to reconsider their visit, suggesting a need for improvement in service and operations.
