On this website, you will find the **complete [menu](#) of Captain D's Seafood** from Enterprise. Currently, there are **21** dishes and drinks available. Captain D's in Enterprise, Alabama offers a mixed dining experience. While many patrons appreciate the friendly staff, generous portions, and reasonable prices, recent visits have highlighted concerns such as inconsistent food quality, particularly with the slaw and fish servings. Patrons have also noted a decline in menu items and tedious wait times, despite the spacious dining area. Overall, the restaurant still delivers delightful meals for some, though there are calls for improvements to return to its former glory.
